

CALL FOR PAPERS

THE 11TH ASIAN BIOHYDROGEN & BIOGAS SYMPOSIUM (ABBS 2016)

OCTOBER 5-8, 2016

JEJU ISLAND, KOREA

INVITATION FROM THE CHAIRMAN OF THE ORGANIZING COMMITTEE

It is a great pleasure to invite you to the 11th Asian Biohydrogen & Biogas Symposium (ABBS 2016), which will be held at Jeju Island, Korea on October 5-8, 2016. The symposium focuses on the theme of "Sustainable and innovative biohydrogen & biogas technology". This event aims to share the knowledges and practices, and motivate discussion to enhance the views for advancing technologies.

The Asia BioHyLinks (ABHL) was established in 2006 to enhance the multilateral understanding of the biohydrogen research among the Asian countries. ABHL has organized ten symposium annually around the Asia countries such as Taichung (Taiwan), Daejeon (Korea), Harbin (China), Khon Kaen (Thailand), Bogor (Indonesia), Chongqing (China), Osaka (Japan), Melaka (Malaysia), Kenting (Taiwan). This coming 2016 symposium will be organized by the experts of the bioenergy field in Korea, where biogas industry is booming up with around 100 plants in operation currently.

In addition, an outstanding technical tour program gives you opportunities to visit the bioenergy facilities as well as attractive places in Jeju Island. On behalf of the organizing committee, we are delighted to invite you to the 11th ABBS 2016 and to exchange information with good friends in our area. We look forward to seeing you in Jeju Island, the place of UN World Natural Heritage.

Conference Chair

Prof. Young-Chae Song

Korea Maritime and Ocean University, Korea

THE 11TH ASIAN BIOHYDROGEN & BIOGAS SYMPOSIUM

OCTOBER 5-8, 2016 JEJU ISLAND, KOREA

Conference Chairs

- Prof. Young-Chae Song Korea Maritime and Ocean University, Korea
Prof. Hang-Sik Shin KAIST, Korea (Honorable chair)

Conference themes

This conference will cover various aspects of sustainable and innovative biohydrogen & biogas technology to make them more feasible. The topics of strong interest are below, but are not limited to.

- Biohydrogen (dark fermentation, photosynthetic)
- Biorefinery
- Biogas Production
- Bio-electro-chemical system
- Digestate treatment
- Biogas application (purification, upgrading, case study (full scale plant O&M))
- Bio-granulation

Preliminary conference program

Oct. 5	Business meetings (Closed Asia BioHyLink meeting, IEA Task meeting)
Oct. 6	Session presentation
Oct. 7	Session presentation and gala dinner
Oct. 8	Technical Tour

Conference venue

ABBS 2016 will be held in Lotte City Hotel Jeju (<http://www.lottecityhoteljeju.com/city/jeju/en>) which located only minutes from Jeju Int'l Airport.

Important dates

First announcement	April 8
Abstracts due	July 1
Notification of acceptance	July 15
Early bird registration due	August 15
Full paper submission due	August 30
Conference date and on-site registration	October 5-8

Registration

Online registration system will be open soon. Participants are strongly recommended to register early to get early-bird discount.

	Early bird fees		Regular fees	
	Local	Int'l	Local	Int'l
Participant	KRW 500,000	USD 500	KRW 600,000	USD 600
Student	KRW 300,000	USD 300	KRW 350,000	USD 350
Accompanying person	KRW 100,000 / USD 100
